Dear Alessandro Turatti,

The jury for the FRUIT LOGISTICA Innovation Award met in Düsseldorf on Friday, 2 December 2016 to select the 10 most promising innovations for the 2017 Award.

We are delighted to be able to inform you that your product has been nominated by the jury for the final phase of the competition at FRUIT LOGISTICA in Berlin, 8-10 February 2017, where visitors to the exhibition will vote for the final winner of the award.

Please let us know by 8 December 2016 by mail to [kr@fruchthandel.de](mailto:kr@fruchthandel.de) if you accept this initial nomination. If you do so, you may from now on describe this product as "Nominated for the FRUIT LOGISTICA Innovation Award 2017". No other formulations are permitted and the year must always be mentioned. Please read §2 E.7 of the official Terms and Conditions of Entry for full details regarding the use of this description and the attached document for further information.

Please note that if you accept the nomination, you also accept that we may publicise basic details of your product in our promotion of the competition and the final phase of voting. See § 2 C.2 of the official Terms and Conditions of Entry for full details.

**IMPORTANT: If you have not already sent us at least one high quality printable photograph of your product, please do so by 8 December 2016 at the latest.**

If you accept the nomination, you should now begin to prepare your presentation for the special exhibition area at FRUIT LOGISTICA 2016. Please make sure that you read § 2 F, G and H of the official Terms and Conditions of Entry for further details of arrangements for the exhibition. For the planning of your presentation, § 2 F.1, F.2 and F.3 are particularly important. Please inform us as soon as possible of any special requirements (for example in terms of electricity supply) which you will need for your presentation. Any additional presentation equipment (such as is needed for example for a video or PowerPoint display) must be arranged and paid for by you.

**We will be sending you detailed information about specific arrangements for the presentation of your product at the special exhibition in Berlin in the next weeks.**

Once again, many congratulations on your nomination. We look forward to hearing from you by 8 December 2016 at the latest if you accept the nomination.

Yours sincerely
